Allowable Subject Matter

1. Claim 1-6 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The Prior Art of Record does not teach nor suggest in the claimed combination a system interface comprising a plurality of front end and back end directors, a host computer, a bank of disk drives, a data transfer section, and a **cache memory and a cache memory manager** wherein the cache memory manager provides an interface between the host computer, the bank of disk drives, and the cache memory for determining for the directors whether data to be read from the disk drives, or data to be written to the disk drives, resides in the cache memory. One cache memory manager is provided for the plurality of directors.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
